June 15 Program

Ron Nehring

**Chairman of the California
Republican Party**

Aggressively building the Republican Party in Escondido, in San Diego County, and across California is a top priority. Toward that end, The Escondido Republican Club (TERC) will present a California Republican Party Briefing on “Party Building in the Digital Age.”

In the last presidential election the Republican Party learned valuable lessons from both the McCain and Obama campaigns with respect to the effective use of the latest technology. In this important technology briefing, you will learn how we can help make the Republican Party the political technology leader in our area and throughout California. Facebook, Twitter, Web 2.0 and other important applications will be covered in this primer for everyone from beginners to power users.
